**Q: Where do QSX boilers ship from?**

A: We keep stock units on hand and ready to ship at our Brantford, Ontario facility.

**Q: How fast can my QSX boiler be shipped?**

A: QSX Boilers ship as soon as payment is received by Miura. Therefore, your QSX units can ship in 24-72 hours!

**Q: There has been a natural disaster and it is affecting our facility. Can anything be done for us?**

A: During times of natural disasters, Miura may waive the QSX Expedition fees for boilers shipping into affected communities. Consult your local branch for more details

**Q: Can I get a quote?**

A: You sure can. Call or email our team at 1-800-666-2182 or [Canada@Miuraz.com](mailto:Canada@Miuraz.com) for a quote today.
